(30MPH SPEED LIMIT) (AMENDMENT NO. 05) ORDER 202-**

**STATEMENT OF REASONS FOR PROPOSING TO MAKE ORDER**

It is proposed to introduce a 30mph speed limit on sections of the A548 Mostyn Road /Bagillt Road and the B5121 Greenfield Road, Greenfield.

In May 2024, following the appointment of new Transport Minister Ken Skates, the Welsh Government announced a listening programme where they committed to work jointly with local authorities to prepare the ground for changes, revising the guidance on which local roads can be exempted from the default 20mph speed limit, which was introduced on restricted roads on the 17th September 2023.

Following Ken Skates' announcement, residents in Wales were urged to make representation to their local authorities for those roads they believed should return to 30mph. In excess of 1,000 individual requests were received to the Authority, following the launch of WG's Listening Programme. Each application received, will be assessed in accordance with Welsh Government criteria '*Setting 30mph speed limits on restricted roads: guidance for highway authorities*' and this includes a detailed assessment of each road being undertaken.

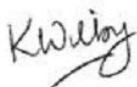

In determining whether a speed limit should be raised to a 30mph speed limit, highway authorities should consider various criteria, including place, movement and road Characteristics, contained within the above document and any additional local conditions deemed relevant..

The above roads have been identified as meeting the requirements (via the assessment process and in accordance with the revised guidance) to change back to a 30mph speed limit.

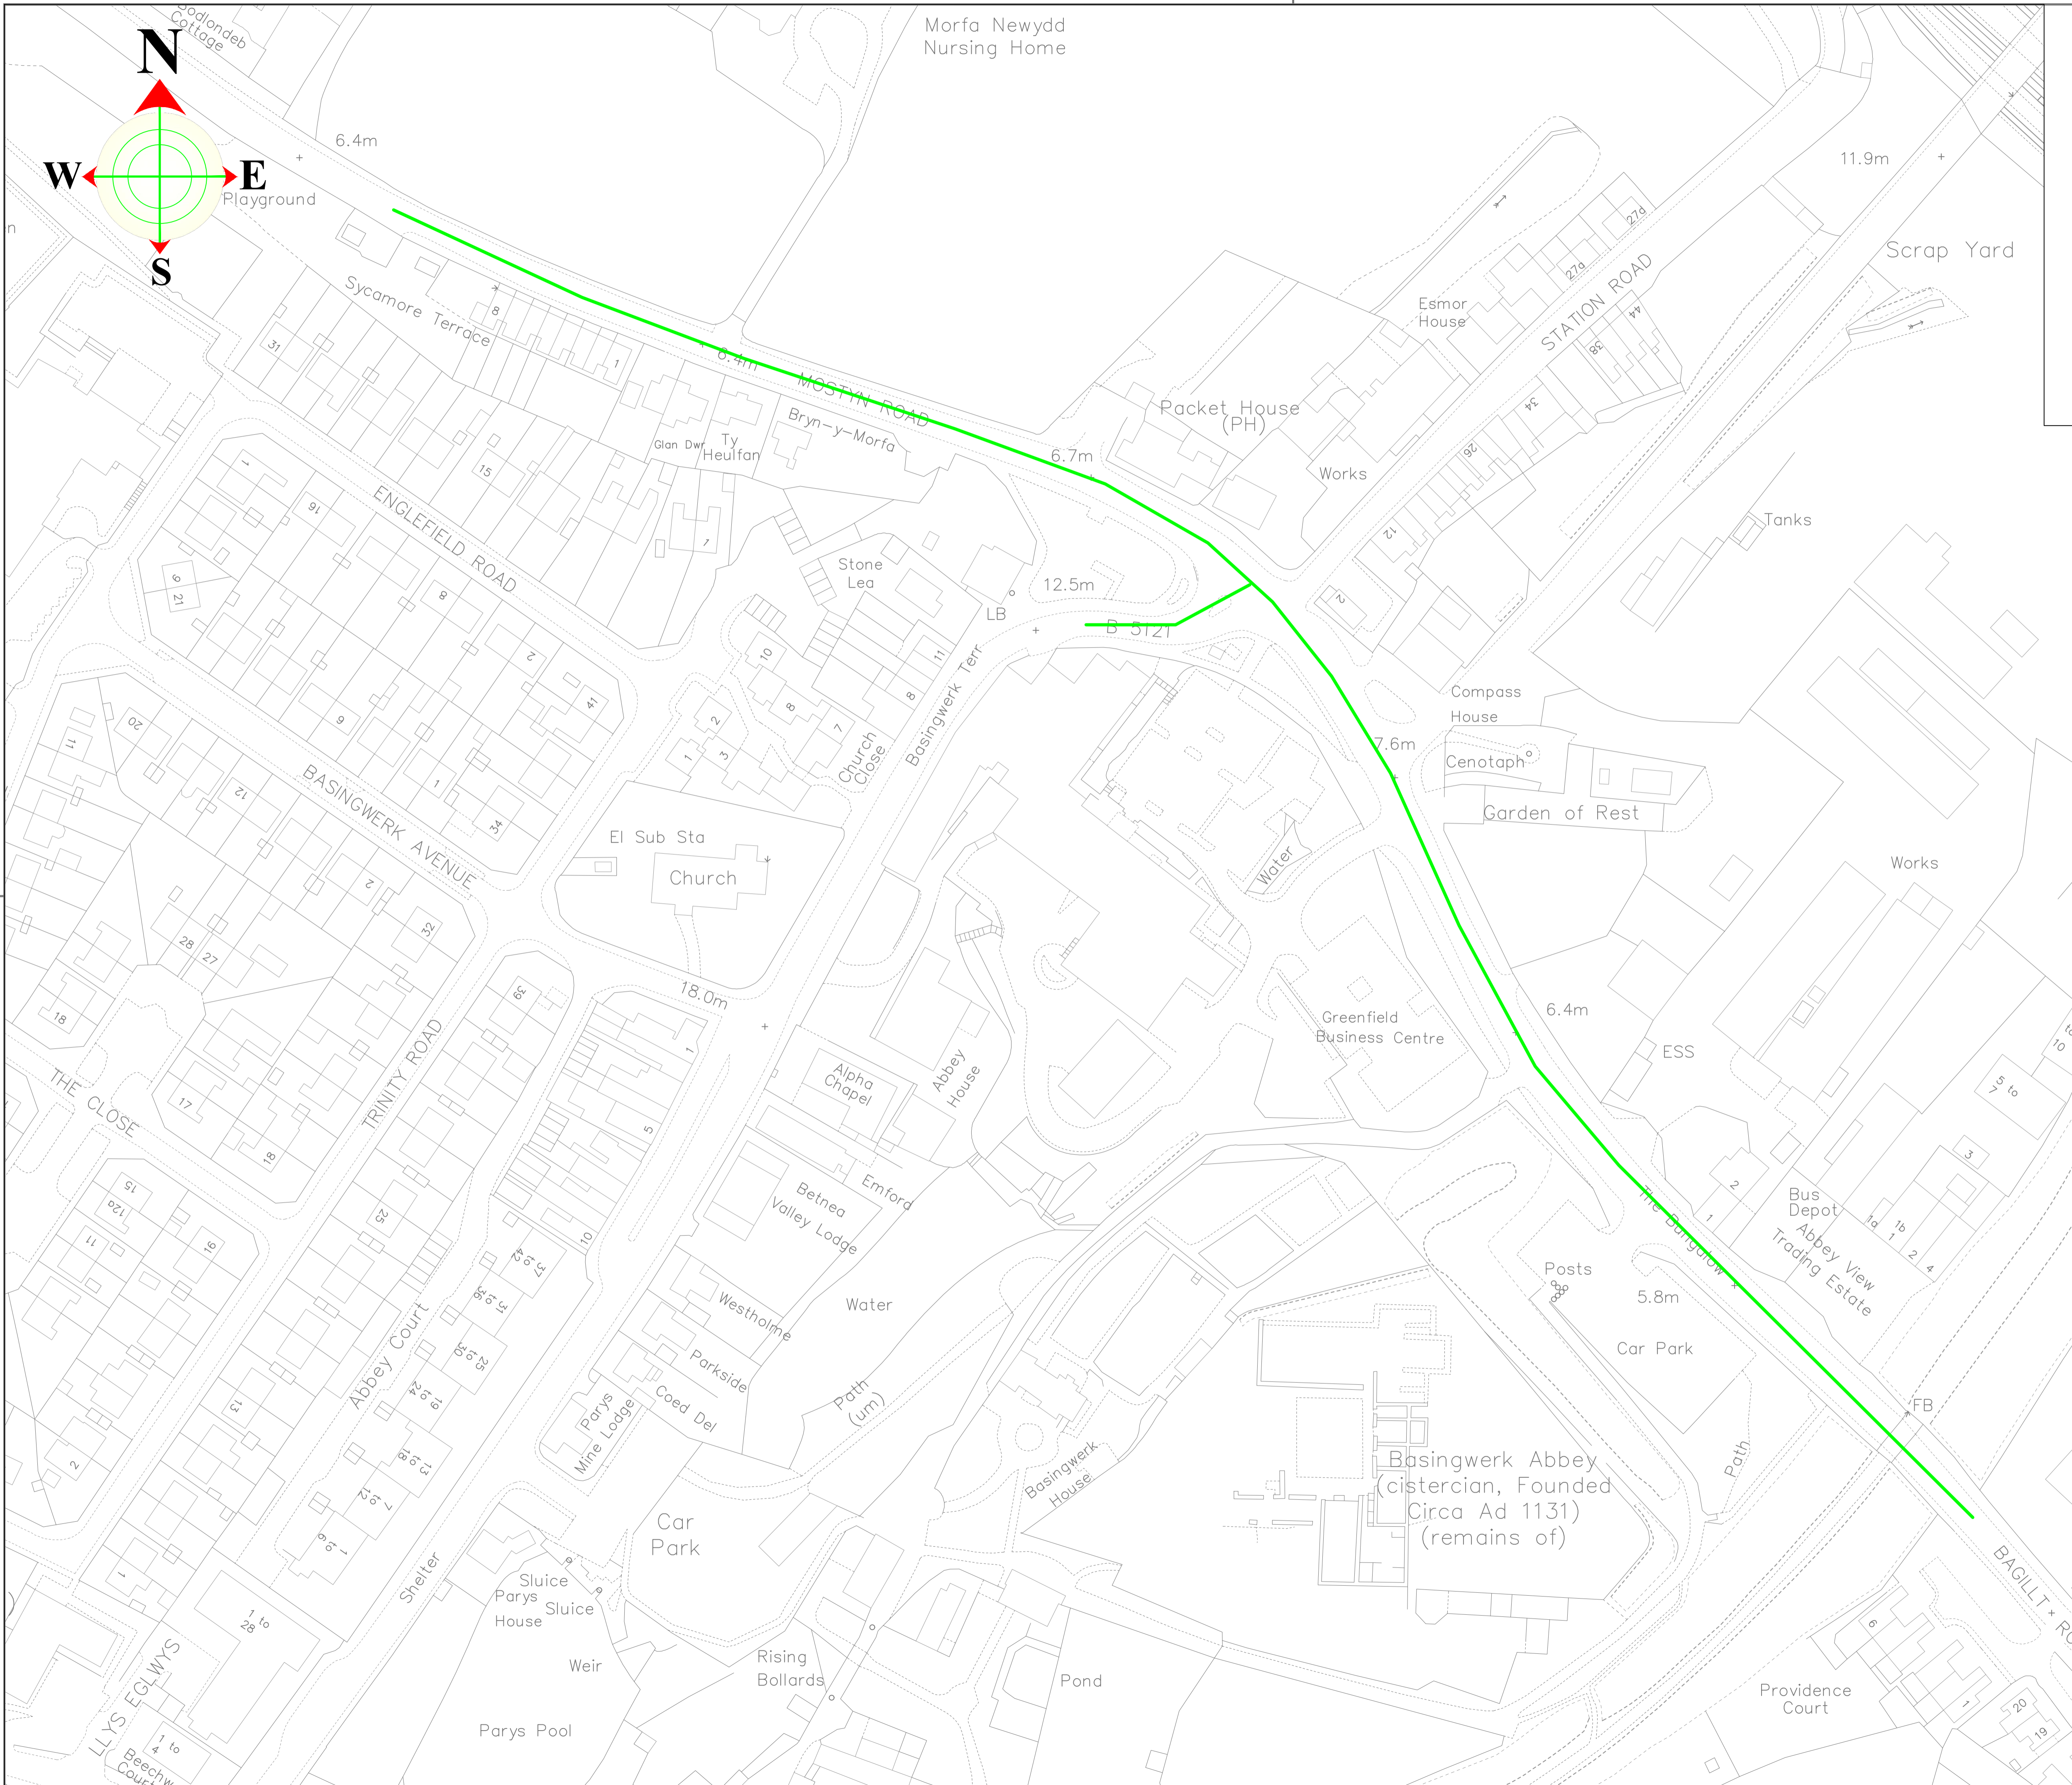

The Authority continues its responsibility to consider the provision of the convenient and safe movement of motor vehicles and other traffic, and the proposed measures are aimed at ensuring that danger is minimised to road users as well as improving the amenities of the locality.

The proposals are detailed in the Public Notice and are contained in the proposed Draft Order.
