

Welcome to the 50+ Action Group (Flintshire)

Who are we?

- We are a group of passionate, diverse older people aged 50+ from across Flintshire
- We come together monthly to address the concerns and hopes of those aged 50+
- We are a voice for those aged 50+ on decisions that affect us all
- We are passionate about ensuring the voice of Flintshire's 50+ population is heard

What do we do?

As an integral part of the Welsh Assembly Government's Strategy for Older People, we work with organisations that potentially impact on older people's lives; from social groups, charities to the County Council.

How do we make a difference?

We meet monthly to:

- Help develop services
- Make representations to relevant bodies including the Welsh Government, Assembly Members and Members of Parliament
- Work in partnership with other organisations to beneficially influence services and policies affecting older people
- Respond to consultations
- Work closely with local organisations like Flintshire County Council, National and Local Charities
- Signpost those who need advice
- Proudly issue the quarterly newsletter Codger's Quarterly
